

REMARKS/ARGUMENTS

Claims 7-10, 12-14, 18-25, 30 and 33-35 are pending in this application. Claims 9-10 and 35 have been amended.

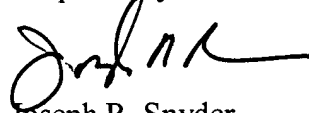

As requested in the Office Action dated October 17, 2002, Applicants have amended Figure 1(A) to include the attractant reservoir. Support is found on page 3, lines 5-6, wherein it states that the reservoir is affixed to the bottom of the body. Entry is respectfully requested.

Claims 7-14, 18-25, 30, and 33-35 were rejected under 35 U.S.C. § 112, second paragraph, for allegedly failing to particularly point out and distinctly claim the subject matter. To the extent the rejection is applicable to the amended set of claims, Applicants respectfully traverse the rejection.

Applicants have amended the claims as suggested by the Examiner to obviate the identified informalities. As such, Applicants believe all claims now pending in this application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 925-472-5000.

Respectfully submitted,

Joseph R. Snyder
